EFT MEMBERSHIP RULES

[ENROLLMENT FORM](#)

EFT Membership: Bikram Yoga La Canada offers a **substantial discount** to the regular monthly unlimited package if you enroll in the 12-month EFT membership. The EFT membership is deducted monthly via automatic funds transfer from your checking account or credit card account, but requires that you maintain this membership for a minimum of 12 months. You **cannot** cancel this membership during the initial 12 months without incurring an early cancellation penalty. * Upon completion of the initial 12-month membership, your EFT membership automatically continues on a month-to-month basis. You may cancel the month-to-month membership at anytime after the initial 12-month membership is completed with a 30-day written notice of cancellation. You can re-enroll in the EFT membership after cancellation. However, a new membership agreement is required and is subject to early cancellation penalty.

EFT Membership Freeze: Bikram Yoga La Canada understands that you might be unable to continue the terms of your EFT membership due to a medical reason. Bikram Yoga La Canada offers the following medical freeze. You may freeze your EFT membership for a minimum of 3 months and a maximum of 6 months with a letter from your treating physician outlining the terms of your medical condition that prevent you from participating in Bikram Yoga. You may not freeze the EFT membership for a medical condition that allows such activity as yoga, as many conditions are treated with hot yoga practice.

***Relocation or Early Cancellation Penalty of EFT Membership:** Bikram Yoga La Canada understands that you might find yourself relocating after signing on the 12-month membership plan. Although this is a binding contract that cannot be cancelled for any reason, including relocation, Bikram Yoga La Canada will offer the following option for members who move or find themselves unable to use our studio. If you terminate your contract early or relocate 30 miles or farther from Bikram Yoga La Canada with relocation proof you will be allowed to **SWITCH** the type of membership from the EFT membership to the monthly unlimited package **BUT** you will be required to pay the **DIFFERENCE** in the price of the EFT membership and the monthly unlimited package by paying the higher monthly fee. To calculate this fee, simply deduct the EFT membership monthly fee from the monthly unlimited package fee, and multiply it by the number of months you are into your agreement. By paying the difference, you will be alleviated from your contract, and thus not required to pay the remaining months on this agreement. You may choose not to convert this membership, but you will be required to fulfill your agreement and pay for the remaining months on your 12 month agreement. You can write a cancellation letter and your membership will be canceled after the 12 months has been completed.

How to Calculate penalty with our fees:

EFT Membership fee is \$117/month
Monthly Unlimited fee is \$165/month
The difference = \$48/month.

To calculate your penalty, multiply \$48 times the number of months you were on the program and that is what you are required to pay to break the agreement.
